# THE HOPE CHRISTIAN TRUST

SUPPORTING COMMUNITIES IN THE LANDS OF THE BIBLE

Gaza

The Hope Christian Trust has been supporting communities and encouraging Christian ministry in Israel and Palestine for over 25 years. It supports students and training at Bethlehem Bible College and gives teacher training and provides educational equipment for the Christian Lighthouse School in Gaza. It funds teachers and projects to show love and care for children with disabilities and who have special needs in a Christian school in Hebron and the House of Hope in Bethlehem. The Trust also seeks to respond to appeals for emergency help in the area through the Shepherd's Society, the caring arm of Bethlehem Bible College.
